6) First prototype (Add Payment)

The image shows a mobile app prototype for an "Add Payment Option" screen. The screen has a red header bar with a back arrow and the title "Add Payment Option". The status bar at the top shows the time as 10:00 and signal icons. The form contains four input fields: "Bank" (dropdown menu showing "Sampath Bank"), "Account Type" (dropdown menu showing "Saving Account"), "Account Number" (text input showing "106 754 758 437"), and "Nickname" (text input showing "Boarding house - Malabe"). Below the inputs is a checkbox labeled "I confirm that, transaction SMS alert service enabled with this account." which is checked. At the bottom are two buttons: a red "Submit" button and a white "Cancel" button with a red border.

7) Second prototype (Fund Transfer)

The image shows a mobile app prototype for a fund transfer interface. The app is displayed on a smartphone screen with a status bar at the top showing the time as 10:00, signal strength, Wi-Fi, and battery icons. The app's header is a dark red bar with a back arrow on the left and the title "Fund Transfer" in the center. Below the header, the "Pay From" section is highlighted with a light gray background. It displays "Easy Saver" and the account number "100034532124". Below this, there is a currency and amount field showing "LKR 1,000,000" next to a small icon of a red wallet with a white dollar sign. The "Pay To" section follows, featuring a dropdown menu labeled "Select Payee" with a blue downward arrow. Below the dropdown is a label "Amount (LKR)" and an empty text input field. Underneath is a label "Remark" and a larger empty text area. At the bottom of the form, there are two buttons: a solid dark red button labeled "Pay Now" and a white button with a dark red border labeled "One Time Fund Transfer".

8) Third prototype (One Time Fund Transfer)

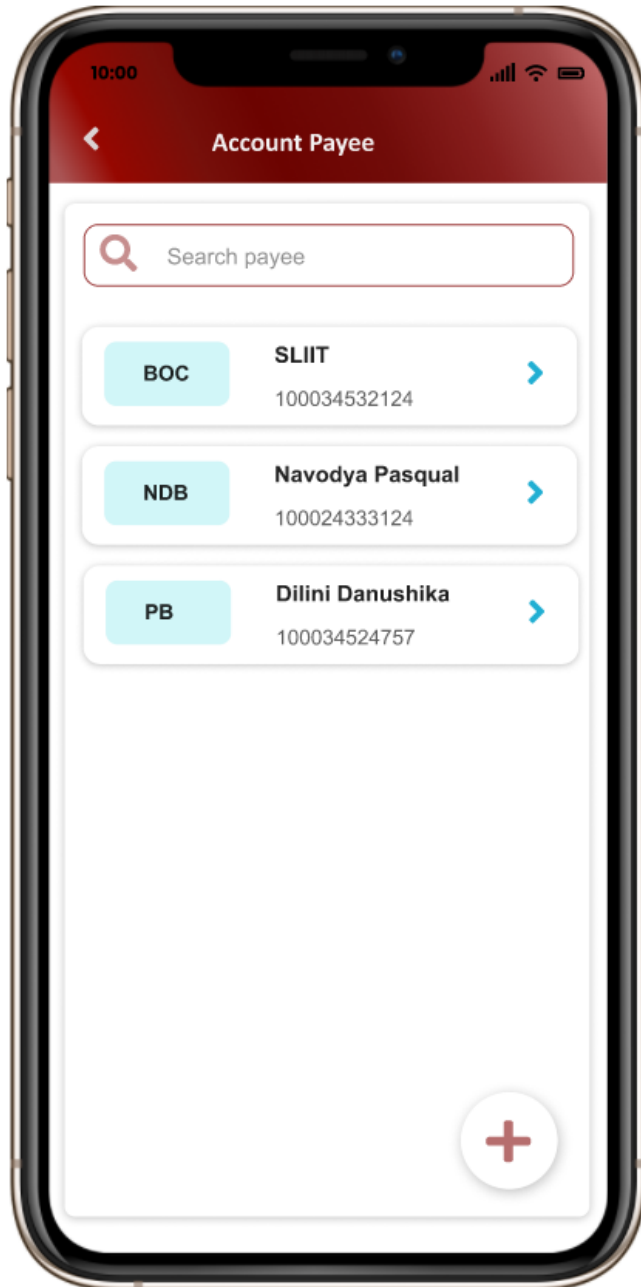

The image shows a mobile app prototype for a "One Time Fund Transfer" screen. The screen has a dark red header with a back arrow and the title "One Time Fund Transfer". The status bar at the top shows the time as 10:00 and various icons. The main content area is white and contains the following fields and buttons:

- Pay From:** A section containing "Easy Saver" and the account number "100034532124". Below this is a grey button labeled "LKR 1,000,000" and a small icon of a red wallet with a dollar sign.
- Account Number (Pay To):** A text input field.
- Bank (Pay To):** A dropdown menu with the text "Select Bank" and a downward arrow.
- Amount (LKR):** A text input field.
- Remark:** A larger text input field.
- Buttons:** At the bottom, there are two buttons: a dark red "Pay Now" button and a white "Cancel" button with a red border.

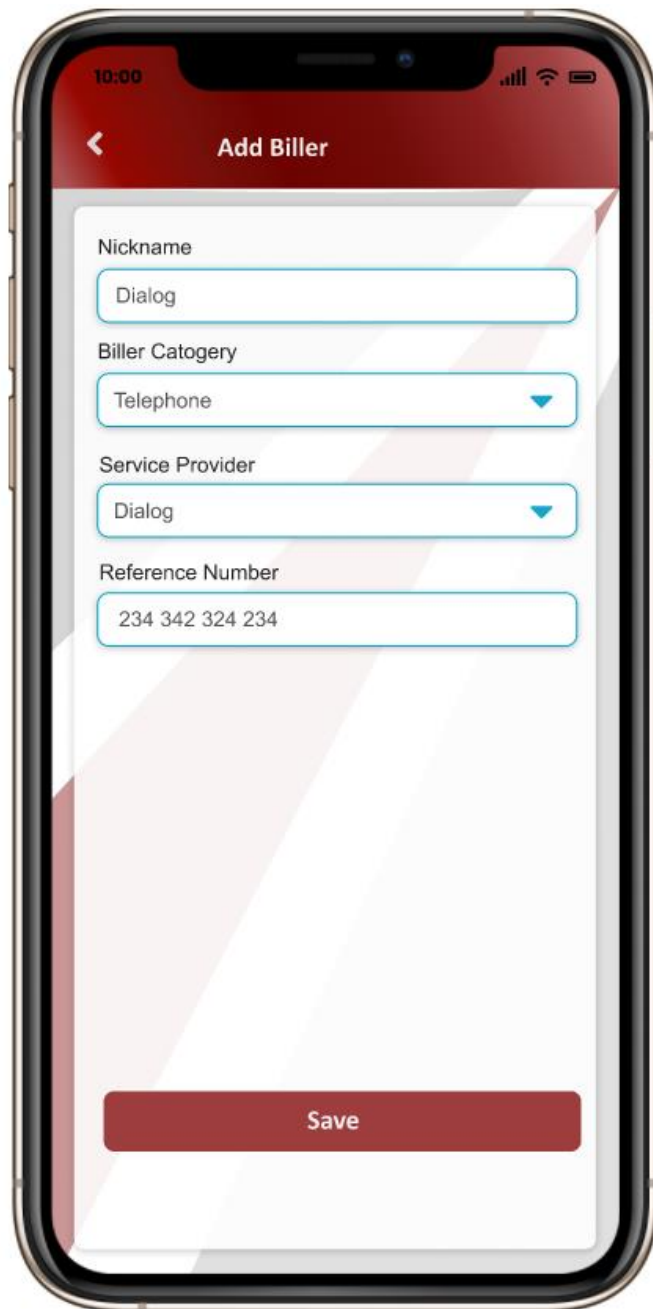

9) Forth prototype (Account Payee)

Amarasinghe A. A. B. G. - IT19061580 (version 1.0)

10) First prototype (Add Biller)

The image shows a mobile application prototype for an 'Add Biller' screen. The screen has a red header bar with a back arrow and the title 'Add Biller'. Below the header, there are four input fields: 'Nickname' with the value 'Dialog', 'Biller Catogery' (sic) with a dropdown menu showing 'Telephone', 'Service Provider' with a dropdown menu showing 'Dialog', and 'Reference Number' with the value '234 342 324 234'. At the bottom of the form is a red 'Save' button. The phone's status bar at the top shows the time as 10:00 and various icons for signal, Wi-Fi, and battery.

11) Second prototype (Bill Payment)

The image shows a mobile app prototype for a bill payment system. The screen is titled "Bill Payment" with a back arrow on the left. The status bar at the top shows the time as 10:00 and signal icons. The main content area is divided into sections: "Pay From" shows a card for "Easy Saver" with account number 100034532124 and an available balance of LKR 1,000,000. Below this is the "Pay To" section with a dropdown menu labeled "Select Payee". The "Amount (LKR)" section has a text input field. There are two buttons, "Now" and "Later", for payment timing. A "Remark" section has a large text area. At the bottom, there are two buttons: "Pay Now" and "One Time Bill Payment".

12) Third prototype (One Time Bill Payment)

The image shows a mobile app interface for "One Time Bill Payment". The app is displayed on a smartphone screen. The status bar at the top shows the time as 10:00, along with signal and battery icons. The app's header is a dark red bar with a back arrow on the left and the title "One Time Bill Payment" in the center. Below the header, the "Pay From" section shows a red wallet icon, the account name "Easy Saver", the account number "100034532124", and the "Available Balance" of "LKR 1,000,000". The "Bill Category" section has a dropdown menu with "Select Category" and a downward arrow. The "Service Provider" section has a dropdown menu with "Select Provider" and a downward arrow. The "Bill Reference Number" section has a text input field. The "Amount (LKR)" section has a text input field. The "Remark" section has a larger text input field. At the bottom, there are two buttons: a red "Pay Now" button and a white "Cancel" button with a red border.
