6) First prototype (Add Payment)

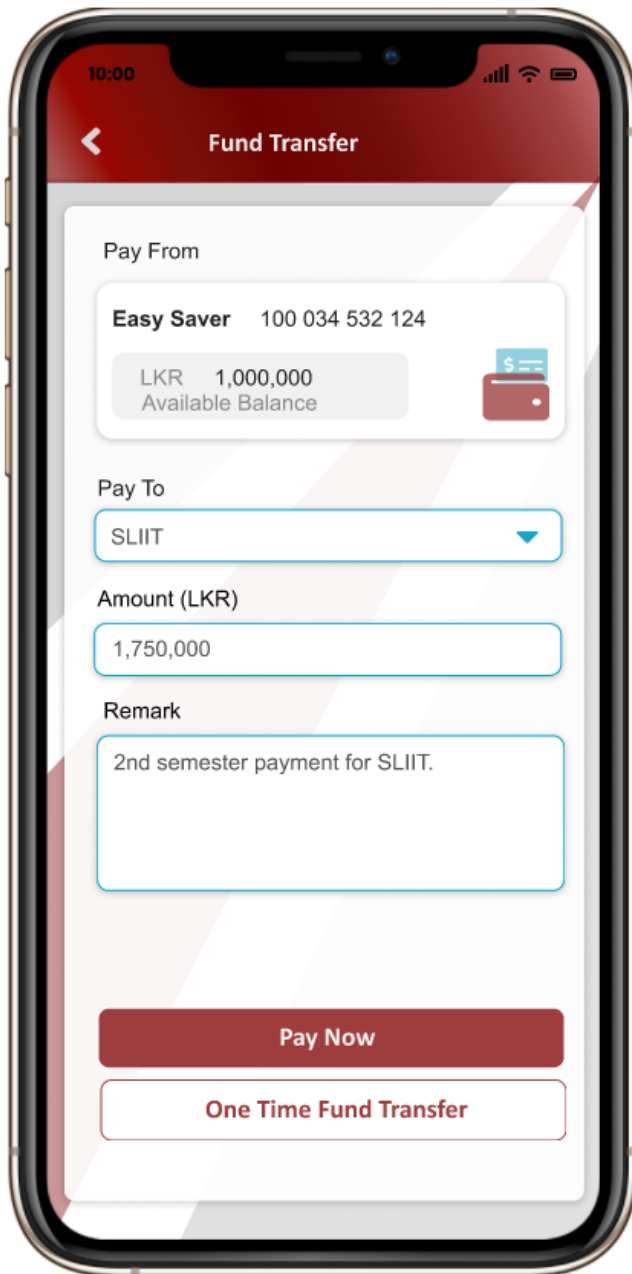

The image shows a mobile app prototype for the 'Add Payment Option' screen. The screen has a red header with a back arrow and the title 'Add Payment Option'. The status bar at the top shows the time as 10:00 and signal strength. The form contains the following fields:

- Bank:** A dropdown menu with 'Sampath Bank' selected.
- Account Type:** A dropdown menu with 'Saving Account' selected.
- Account Number:** A text input field containing '106 754 758 437'.
- Nickname:** A text input field containing 'Boarding house - Malabe'.

Below the fields is a confirmation checkbox that is checked, with the text: 'I confirm that, transaction SMS alert service enabled with this account.'

At the bottom are two buttons: a red 'Submit' button and a white 'Cancel' button with a red border.

7) Second prototype (Fund Transfer)

The image shows a mobile app prototype for a fund transfer interface. The screen is titled "Fund Transfer" with a back arrow on the left. The status bar at the top shows the time as 10:00 and signal indicators. The interface is divided into several sections: "Pay From" showing "Easy Saver" with account number "100 034 532 124" and a balance of "LKR 1,000,000 Available Balance"; "Pay To" with a dropdown menu set to "SLIIT"; "Amount (LKR)" with a text input field containing "1,750,000"; and "Remark" with a text area containing "2nd semester payment for SLIIT.". At the bottom, there are two buttons: a red "Pay Now" button and a white "One Time Fund Transfer" button.

8) Third prototype (One Time Fund Transfer)

The image shows a mobile app prototype for a "One Time Fund Transfer" screen. The screen has a red header with a back arrow and the title "One Time Fund Transfer". The status bar at the top shows the time as 10:00 and signal icons. The main content area is white with a light gray background. It contains the following fields and buttons:

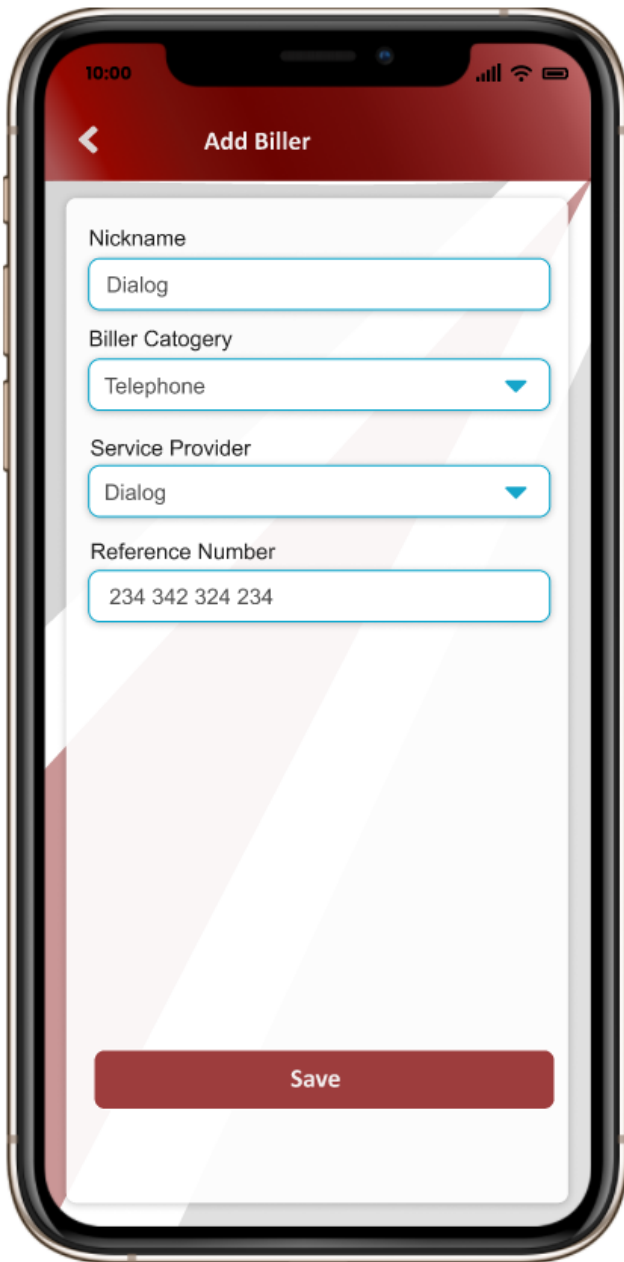

- Pay From:** A section with a card-like design showing "Easy Saver" and the account number "100 034 532 124". Below this, it shows "LKR 1,000,000" and "Available Balance" next to a small red card icon.
- Account Number (Pay To):** A text input field containing "106 754 758 437".
- Bank (Pay To):** A dropdown menu showing "Sampath Bank" with a blue downward arrow.
- Amount (LKR):** A text input field containing "10,000".
- Remark:** A text input field containing "Boarding fee for September."
- Buttons:** At the bottom, there are two buttons: a red "Pay Now" button and a white "Cancel" button with a red border.

9) Forth prototype (Account Payee)

Amarasinghe A. A. B. G. - IT19061580 (version 2.0)

1) First prototype (Add Biller)

The image shows a mobile application prototype on a smartphone. The screen has a red header bar with a back arrow and the title "Add Biller". Below the header, there are four input fields: "Nickname" with the value "Dialog", "Biller Catogery" (sic) with a dropdown menu showing "Telephone", "Service Provider" with a dropdown menu showing "Dialog", and "Reference Number" with the value "234 342 324 234". At the bottom of the screen is a red "Save" button.

2) Second prototype (Bill Payment)

3) Third prototype (One Time Bill Payment)

The image shows a mobile app prototype for a 'One Time Bill Payment' screen. The screen has a red header with a back arrow and the title 'One Time Bill Payment'. The status bar at the top shows the time as 10:00 and signal/battery icons. The main content area is white with a light gray background. It contains several form fields: 'Pay From' with a card icon and details for 'Easy Saver' (card number 100 034 532 124, balance LKR 1,000,000); 'Bill Category' with a dropdown menu set to 'Telephone'; 'Service Provider' with a dropdown menu set to 'Dialog'; 'Bill Reference Number' with a text field containing '234 342 324 234'; 'Amount (LKR)' with a text field containing '1,000'; and 'Remark' with a text area containing 'Dialog bill payment for September.'. At the bottom, there are two buttons: a red 'Pay Now' button and a white 'Cancel' button with a red border.
